Harmony Christian Church is searching for a Worship Pastor to help us create an engaging environment to worship Jesus in.

Responsibilities

This person should be wicked awesome at leading people ? ?

– You will have a fantastic team of over 30 people to lead as a part of the worship ministry – working directly with our worship leadership team and worship directors. You will also work alongside our incredible production director and his team.

This person should have a passion to help others worship Jesus and lead the way in exhibiting that worship

This person should feel an affinity and alignment with the beliefs and values of Harmony Christian Church

– Don't go work at a church that you don't feel you can fully get on board with. We are a church that's on a mission to Advance the Kingdom by Living for God and Loving people. That means we are looking for someone with a like-minded heart.

A Quick Guide to Some Typical Cultural/Theological Differences:

PLEASE NOTE: we are not including these as debating points, we just want to help you see if there is alignment with Harmony and if it would be a great place for you to pursue employment. If you disagree with these statements, then there is a strong likelihood working at Harmony wouldn't be a great fit.

If you have genuine questions or need clarification, please don't hesitate to [reach out](#), we are an open book!

- **Baptism as a part of salvation** (see our [beliefs statement](#) about “Salvation” and “Baptism” for more)
- **We believe in freewill** (we do not ascribe to “Once Saved Always Saved,” we do however believe that followers of Jesus can be secure in their salvation.)
- **We partake of communion weekly** because this was the New Testament pattern (Acts 20:7)
- **We believe in the gifts of the Spirit, but don't actively pursue the public speaking in tongues, or healing services, etc.** We are not a charismatic church or movement. We do however regularly pray for healing for the sick and practice anointing with oil (as found in James 5:14–15)
- **Prophecy/End Times: We don't take a stance on this other than the fact that we are on Jesus' welcoming committee, not the planning committee.** While we may hold personal beliefs about these events, we focus on leading people to Jesus over trying to persuade people to our theological bent.
- **Human sexuality: we love everyone equally, but believe the intended created order is for men & women to be united as one flesh through the physical intimacy of sex in the context of a committed relationship we call marriage.** Anything outside of this is sin (see Romans 1:26-27). We do not believe gender is fluid (Genesis 1:27) rather it is a created gift to be celebrated and embraced. We believe this is an

incredibly complex issue, but choose to lead with loving people, helping them find a relationship with Jesus, and walking with them through the truth of scripture. We do not compromise the truth, nor do we compromise on loving people.

- **Racial issues: We are a church that is racially diverse.** We do not make a big deal about this, because we just love people – but are also a church that believes it's important to stick up for those who are mistreated. We are VERY careful and cautious about how we walk those lines and careful to lead with love.
- **Political issues: We are not a political church.**
