

Purpose, Values, and Expectations of the Worship/Tech Team

The following is a summary of our team's purpose, values, and expectations.

The Purpose of Our Worship Team:

We create environments each week that encourage people to worship God while depending on the Holy Spirit to transform lives.

The Values of Our Worship Team

We have three overarching values for our worship ministry:

Preparation - We prepare musically and spiritually to be lead worshipers, helping our gathered church to honor God through singing and other worship elements.

Relationships - We value one another. And when we don't agree with someone, we assume the best in that person and trust their heart is good.

Stewardship - We have been given this ministry to care for and improve. It's not ours, but we take ownership of it. We are serving for a season, and we hold our positions with an open hand.
